

New for 2020!

Novelty Bath Bombs

POK-E-BOMBS have been a huge hit at our craft sales and now you can order them online. The Pok-e-bombs have a hidden treasure inside. You guessed it: a Pokeman toy. Collect them all ... if you can!

Vanessa started making **UNICORN BATH BOMBS** because of her granddaughter, and now they fly off the shelves! They fizz to the end where your special girl will find a unicorn ring treasure!

Lotions and Butters and Creams, oh my!

BODY BUTTER!

Using Mango Butter as the main ingredient, this Body Butter softens and soothes the skin and is high in antioxidants and Vitamins A, C & E. Mango Butter is similar to Shea and Cocoa Butter, but has a lighter feel, absorbing quickly into the skin so you are not left feeling greasy. Due to it's high antioxidant content, mango butter is anti-aging, reducing the look of lines and wrinkles. Mango butter is especially excellent for anyone with dry skin. Our Body Butter is triple-whipped, making it fluffy and easy to apply. *Ingredients: Mango Butter, Grapeseed Oil, Arrowroot Powder and Vitamin E.*

SATINFINISH CREAM FOUNDATION!

Yes! A cream foundation that actually rejuvenates the skin! SatinFinish not only has the important antibacterial Zinc Oxide like our other foundations, but it also has ingredients that help with fine lines and wrinkles, sun damage, inflammation, scarring, rosacea, eczema, psoriasis, and acne! Besides all that, the coverage can't be beat! *Ingredients: Jojoba Oil, Apricot Oil, Almond Oil, Mango Butter, Kokum Butter, Serecite, Zinc Oxide, Titanium Dioxide, Arrowroot Powder, Oxides for color, Polyglycerol-3 Beeswax, and Lavender Essential Oil*

RECHARGE THERAPEUTIC SKINCARE LOTION!

Recharge your face with Recharge Therapeutic Skincare Lotion. Its replenishing ingredients are well known to reduce fine lines and wrinkles, age spots and scars; improve skin color; reduce puffiness and under-eye circles; improve your complexion by treating chafing and chapping dryness; ease the effects of eczema and rosacea and helps heal eczema and psoriasis; prevent acne breakouts; help reverse and repair sun damage; AND the ingredients are also high in antioxidants, are antibacterial, and anti-inflammatory. So, what ARE the ingredients? I'm glad you asked ...
